WORK EXPERIENCE

Interior Designer

VS Design Studio | Feb 2025 - Present | Dubai, UAE

- Managed end-to-end site execution for 5 luxury residential apartments valued at AED 10M+, ensuring quality and design compliance.
- Prepared project specifications, construction documentation and detailed drawing packages for projects upto 340,000 sq.ft
- Coordinated with 15+ contractors, suppliers, consultants, and multidisciplinary teams to ensure seamless project delivery
- Conducted site investigations and developed accurate as-built documentation for refurbishment projects.
- Directed high-quality 3D visualizations to communicate and maintain design intent.
- Prepared weekly detailed site reports, snagging reports, and technical documentation to facilitate construction progress and quality control.
- Monitored on-site construction activities to ensure compliance with design specifications, material standards, and client expectations.

Associate Interior Designer

Awfis Space Solutions | May 2024 - Jan 2025 | Mumbai, India

- Developed 50+ test-fit layouts, concepts, story-boards, material palettes and concept presentations for client pitches.
- Prepared FF&E, material, and finish specifications for procurement.
- Produced and reviewed drawing packages of up to 50+ construction drawings.
- Coordinated with project managers, consultants, and senior designers on planning, budgeting and design execution.
- Presented design solutions, gathered client requirements and incorporated feedback throughout the design process.

Assistant Designer

Spacematrix | Feb 2023 - Apr 2024 | Mumbai, India

- Contributed to design pitches that secured 4+ award-winning projects.
- Prepared specifications for materials, finishes and equipment for projects upto 35,000 sq.ft
- Supported site execution, vendor coordination, and showroom visits for ongoing projects.
- Assisted in construction documentation and detailed drawing packages.
- Coordinated with multidisciplinary teams on project planning & execution.
- Managed client presentations and integrated feedback into design development.

Intern

Kalgutkar & Associates | Jan 2021 - Jun 2021 | Mumbai, India

- Produced 3D renders, working drawings, and municipal drawings for residential and commercial projects.
